Every age has its own dreams,
Leave, then, the dreams of yesterday.
You — take the torch of knowledge
And build the palace of the future.

McDONALD'S

While the fountain of youth is flowing,
blossom forth and grow,
as a young bud is early spring.

You've given advice; I did not heed
Yet in my mind, you'd planted a seed

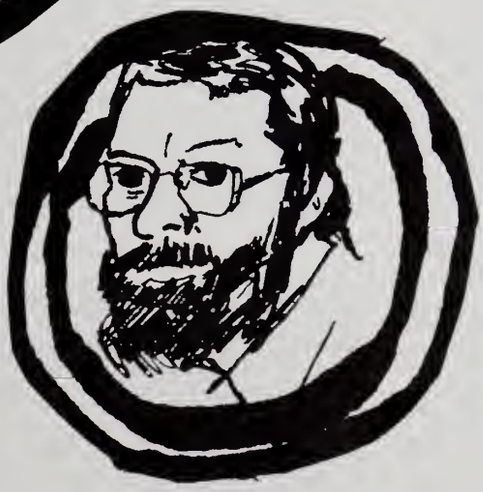
You've spoken your mind 'til my head
rang like a bell
Oh yes, my gardener, you've watered
me well

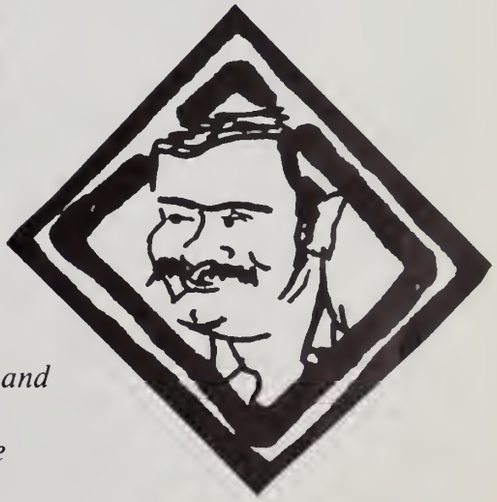
FA

The projects I've done, the books I've read
I'll have to admit you've kept me well fed

ULTY

You've drilled in my head, "Be careful, but run!"
Giving me one part shade and two parts sun





And still I sit waiting, feeling blind, deaf and mute
But I know, it is I, who must now bear the fruit

To the Class of 1981:

As Chairperson of the Stoughton School Committee, I am pleased to extend congratulations from the Committee to the members of the Class of 1981. As a graduating class of a new decade, you will face the challenge of becoming involved in many changes in the social, economic, and educational structure of our society during the 1980's. I know you will not shrink from that challenge; rather, you will welcome it. For the education you have received in the Stoughton School System has prepared you to face the future. Therefore, I urge each of you to eagerly accept that challenge, knowing full well that with that acceptance you will enter into what John F. Kennedy called "a struggle against the common enemies of man: tyranny, poverty, disease, and war itself." I know you will be determined to succeed. Good luck!

Sincerely,

Rosana M. Molinari

Rosana M. Molinari, Chairperson
Stoughton School Committee

TO MEMBERS OF THE CLASS OF 1981:

A hearty congratulations on your graduation from Stoughton High School. To your family and the community, I also extend a warm thank you for the continued support which they have given to the school on your behalf.

Your graduation marks a very important step in your educational career. It signals the attainment of one goal in life's never-ending educational process.

You will be confronted by many challenges and seemingly impossible tasks in the future. The staff of Stoughton High School has provided you with the necessary experiences to meet and solve those confrontations.

At this point in time, the world-wide social condition seems to portray "man's inhumanity to man". Society is seeking a solution to this phenomenon. May we, the staff of Stoughton High School, have imbued you with competence and compassion -- the competence which avoids being do-gooders and that compassion which enables you to suffer with those who suffer; be it from physical pain, injustice or ignorance. With these qualities, hopefully you will provide society with the solution it seeks.

Continue developing your intellectual and human potential. They know no bounds. Go forth with hope, confidence and a desire to excel and I assure you that you will achieve your goals and be a credit to your parents, your school and, most importantly, to yourselves.

Thank you for making my own tasks so rewarding. My best wishes for health, happiness and success in the years to come.

Sincerely,

Dale F. LaVelle

JOHN G. MURRAY, Ed.D.
SUPERINTENDENT

To the Class of 1981:

It is a pleasure for me, as Superintendent of Schools, to extend to all the members of the Class of 1981 my best wishes upon this occasion of your graduation.

It is only fitting that the happiness in this most important year of your life will fondly be remembered not only as the year of your graduation but also as the year in which the hostages returned safely to their country and to their homes. This important event should be a constant reminder that the education which you have received had a major goal; namely, the development of your potential as a person that has the privilege of living in a free society. This individual freedom stemming from the guidance you have received from your teachers and family affords you an opportunity to not only find your place in the world but, in fact, to become an outstanding citizen of the world.

We share in your hopes and dreams as you venture forth either to higher education or to the world of business. May you always exhibit the best personal qualities which you possess and find an enriched life because of the time you spent in the Stoughton Public Schools.

Your parents, your friends and members of the school department are very proud of the accomplishment you have achieved.

I hope that in the years to come you will look fondly back to the time spent here and, if the occasion permits, you will take time out to come back and visit with us.

Sincerely,

John G. Murray, Ed.D.

Senior Class Officers and Advisors

Robert Carter, President

To the class of '81:

The years one spends in high school are divided by both academic and social persuits. As a class we have distinguished ourselves to be over-achievers in both these areas. We have reached a point in our lives where we can reflect on our many enjoyable experiences. Whether these experiences were shared with just a few or with the class as a whole, they will always be cherished.

Four years ago we entered this school not knowing what to expect. As graduating seniors, we can feel proud of the many contributions we have made to help Stoughton High develop academically as well as socially. It is time for us to move on. We left our mark with pride and I hope other classes will follow our fine example.

Sincerely,
Robert Carter

Lori Clough, Treasurer

Mr. James Boushell, Advisor

For the first three years of the presence of the Class of 1981 in Stoughton High, Miss Theresa Murray was the advisor. It is no small task to take a bunch of freshmen and to coordinate their activities so that they form some kind of meaningful unity. Miss Murray (now Mrs. Hagerty) was able to acquit her responsibilities with great distinction. She was instrumental in helping the class introduce some new "traditions" into Stoughton High, especially the "Dance Marathon" in support of Muscular Dystrophy, which raised record amounts her last year here. For her pleasant manner, her dedication to the class, for her support to the individuals making up the class government, Mrs. Hagerty is deserving of the highest appreciation from the Class of 1981. She truly "cared." We wish her the greatest joy in her new career as a housewife.

Advisor, 1977-1980

TO THE CLASS OF '81

It has been my extreme pleasure to be your advisor this year. I will always remember the close relationships that were formed during this time.

Although I have been with you for a short time, you have shown a great deal of enthusiasm, desire and sacrifice in all class endeavors.

May I wish you all the happiness and success in your coming years.

"Memory performs the impossible for [illegible] holds together past and present, gives [illegible] human life."* This should [illegible] that "memorial" page, reminding us of those [illegible] members of our class who are not here to share the pleasure of [illegible] this yearbook, our "book of memories." We include it, not to be morbid, but [illegible] to express our gratitude that we have been spared the anguish which comes from lo[illegible]ing a young companion and classmate. We are grateful for having been spared this "memory" in our book, and hope that this record continues for many years in our lives and those of our classmates.

DEDICATIONS:

This year, the editors of the STOTONIAN revived a custom which goes back many years, the dedication page. Years ago, it was the "style" to dedicate the book to someone. Today this is not so common. We thought we'd like to try again and asked for the support of any one in the senior class who cared to "nominate" someone. We were overwhelmed by the response. 102 seniors took the time to do so. We were impressed not only by the quantity but by the quality. We had a few "clowns" with their immature entries, but with the exception of this handful, the nominations showe some serious thought. There were 26 entries. The editors considered each one in arriving at our choices for dedication for STOTONIAN '81.

After careful consideration of all nominations and a few of its own, the editorial board of the STOTONIAN has agreed to make a dual dedication this year, one on the "national" level and one on the "local" scene.

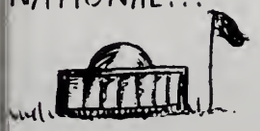
We dedicate STOTONIAN '81 to the HOSTAGES.

". . . because it is something to remember a few years from now . . ."
". . . they brought this country together . . ."
". . . for their courage and togetherness . . ."
". . . thay are a very important part of our story . . ."
". . . they went through Hell and made it back . . ."
". . . an important event in our senior year . . ."
". . . an appropriate memory in an appropriate year . . ."

We dedicate STOTONIAN '81 to MR. JAMES BOUSHELL

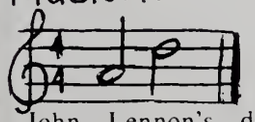
". . . the hard work and effort he's given our class . . ."
". . . he stepped in to help our class when we were in a jam . . ."
". . . he's gone beyond the 'call of duty' for us . . ."
". . . he took over our class when we needed an advisor and did a great job in helping us seniors . . ."

NATIONAL...



The hostages (more than half of the nominations)

MUSIC...

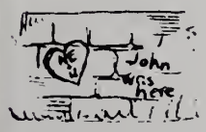


John Lennon's death ("He was there at the beginning of rock, the beginning of our generation; he affected our lives so much with music.")
Joe Bonham's death

SCHOOL COMMITTEE...

The School Committee Proposition 2½

GRAFFITI...



"We were here and now we're gone . . . we left our names to carry on . . ." (you finish the rest)

FACULTY...

Mr. Tapper ("He works damn hard for us . . . "All he has done for us . . .")
Mr. McCormick ("He cares . . .")
Mr. Christianson ("a wild and crazy guy . . .")
Mr. Coen ("wicked cool")
Mr. Chamberlain ("great")
Mr. Monti ("super . . .")
Mr. Medeiros ("He has done so much to help students achieve . . .")
Mr. Cullen ("A real good guy who loves to give ISS . . .")

LEST WE FORGET!...

David Toma ("He made a good effort to try to help kids with problems . . .")
Class of '81 ("We could use it . . .")
One of the editors of the yearbook ("cause she's cute!")
God ("For not taking any of the lives of our seniors")
Ronald Reagan ("He brought jelly beans out in the open.")
Steve Carlson, Frank Walsh, and Bill Wikstrom . . . (Why?)

CULTURE...

Dallas and J.R.
"Frodo lives!"

AND, FINALLY...

GO FOR IT!

"I'm certain everyone in the Senior Class has said it."

SENIOR SUPER-LATIVES

FUNKY

S.H.S. seniors were asked, in a poll taken by the Stotonian Staff, to express opinions on various subjects. Several observations were made from the results obtained. For example, the seniors felt that it was better to date around than to have a steady.

It was also discovered that 50% of the class lacked the enthusiasm to take part in the poll. However, 17% more of the seniors took part in the survey this year than last. We thank those who did take part in the survey.

Larry Painten '83 was a key player in Stoughton's success.

The varsity soccer team completed another successful season with a record of 11-4-1, good for third place in the Hockomock League. The team qualified for the Eastern Mass. tournament for the second straight year, but lost to a strong Xaverian in the first round 2-1. Senior Jeff Cabral scored the only goal in this game.

Co-captains Fernando Melo and John Melo were selected to the All-League and All-Scholastic Team. John Amaral was the team's leading scorer.

Coach Michael Stuber can look forward to more successful seasons with John Amaral, Larry Painten, Jim Burley, and several other underclassmen returning next year.

The jayvees finished with a record of 8-8.

Stoughton's bench looks on with disenchantment.

The varsity field hockey team endured a competitive season which frequently challenged the determination and enthusiasm of the players. Though their final record of 1-10-5 placed them next to last in the Hockomock League, the field hockey team played well against such top teams as Canton, Franklin, and Foxboro. All of their games were close, usually ending in scores of 1-0. Particular highlights of the field hockey season included the team's 1-1 tie against Sharon and their 2-1 win over North Attleboro. Seniors Jayne Sallerson and Liz Brazao conducted themselves well as team captains. Junior Ann Malinowski, selected as a Hockomock League All-Star for the second consecutive year, is to be congratulated for continually fine performances during the season. Losing only two seniors and aided by the addition of a junior varsity field hockey squad, the future looks encouraging.

The girls swim team completed a disappointing season with a record of 2-8 overall. The team scored a Stoughton record of 110 points against Blue Hills.

Boasting many underclassmen, the swimmers were led by tri-captains Cathy Eagan, Jean Young and Anne Zechello. Juniors Lisa Clough and Elaine Sweatt were the team's high scorers with 83.75 and 79.75 points respectively. School records were set in the 200-yd. medley, 50-yd. freestyle, 100-yd. freestyle, 100-yd. backstroke, and 100-yd. breaststroke. Linda Botsian '82, Lisa Clough '82 and Elaine Sweatt '82 were selected to the All-Scholastic team in the Boston Globe.

FOOTBALL

The Varsity football team finished with a 3-7 record under first year Coach Jack Cosgrove. Playing a tough schedule, the team won 2 out of their last 3 games. In a 34-29 last-minute win over Franklin, All-league back Carlos Silva ran for over 400 yds. total offense, and four touchdowns. Another highlight was the play of All-League safety Dan McGillivary who had three interceptions in a 14-0 win over Oliver Ames. Overall, Stoughton played a fair season having a 3-5 league record with many starters out due to injuries. The junior varsity finished with a 2-6-2 record. The future varsity will look for help from freshman Quarterback Jimmy Overstreet, backs Larry Smith and Ricky Fergus, tight end Ed Homer and line-play from Kevin Moriarty and Chris Walsh.

The SHS Cross Country team, under former Randolph coach John Hurley, headlined a very successful 1980 season.

With a record of 7-1, the trackies shared in a tri-championship with both Foxboro and North Attleboro. Captain Tom DeNapoli and Bob Ricci were subsequently named 1980 Hockomock League All-Stars.

The SHS runners also captured the Division 2 title of the Catholic Memorial Invitational Meet, beating 27 other teams. Ricci garnered first place honors at the Meet, trampling 188 other runners.

In the State Meet, in which Stoughton finished seventh, Ricci placed sixth, thereby qualifying for the State Finals. At the State Finals, Ricci captured 40th place out of nearly 200 runners.

Strong performers during the season included seniors DeNapoli, Jack Marinilli, and Adam Turok, and juniors Ricci and Jay Eagles.

Although by the end of the campaign, the boys' varsity basketball team was reduced to but a shell of the team that originally began the season, they still enjoyed an interesting and successful season, finishing with an 11-9 record, 9-7 in the Hockomock League.

Both Reggie Slater and Bob Ricci enjoyed fine seasons. Slater finished second in the league in scoring; while Ricci, only a junior, took charge of the Black Knight brigade when six players were out of the lineup by the end of the year.

Seniors Chris Lyons, John Fidler, Darryl Lovett, and Bob Carter all contributed to the story of this year's team, coached by John Douglas.

The future for Black Knight basketball looks very promising, however, as many members from a 17-3 JV team and a first-place freshman team will move up to varsity spots year.

The girls varsity basketball team underwent a rebuilding year, finishing with a 4-12 record.

The girls played hard, but lack of height played a large role in their lack of success. The girls showed great spirit, enthusiasm, and determination.

Leading scorers were Ann Malinwoski, Jayne Sallerson, Jane Doyle, and Alyssa Uni. Cheryl Klim, Lynda Roche, and Liz Brazao gave workmanlike performances on the boards all year.

The JV team finished with a record of 10-6. Patty Quattrucci, Missy Moore, and Sue Blomstrom were the leading scorers.

The Black Knights completed the 1980-81 season with a 9-5-1 league record and 11-6-1 record overall. However, the Knights finished third in the league and were ineligible for the state tournament.

Despite missing the tournament, Stoughton enjoyed its finest season in four years. They were led by the high scoring line of Bill Fairbain, Brad Weeks and Brian Donnelly, who, as a unit led the league in scoring. Individually, Fairbain, Donnelly and Weeks finished second, third and fifth respectively.

Defense was also a strong asset as seniors Bill Brandt and Dave Nutting, together with juniors Peter Bishop and Mike Unda provided solid support for goalies Kevin Kershaw and Paul Fountain.

Leading scorers Patty Cummings and Terrie Hanna led an improving gymnastics team to a 3-9 record, fifth in the league. Coached by Linda and Laurie Matta, senior Dot Medeiros along with Tracy Aguiar, Dianna DiCastro, and Ann Bender proved to be valuable members of the team. In addition to its wins, Stoughton nearly pulled an upset of North Attleboro, one of the leagues top teams. The resolution of a judging dispute however, resulted in an N.A. victory by one tenth of a point, diminishing what would have been the season's highlight.

The indoor track team concluded its '80-'81 winter season in third place with a dual meet record of 5-2. Coach Chris Brady's trackies also finished third at the Hockomock League meet behind rival opponents Canton and North Attleboro.

Highest scorers during the season included junior Gobi Scott and seniors Adam Turok, Carlos Silva, and Juan Silva.

Leading contenders in their respective events included J. Silva, Tim Plunkett, 50 yd. high hurdles; G. Scott, C. Silva, 50 yd. dash; Jack Marinilli, mile; A. Turok, C. Silva, 600; Tom DeNapoli; Pat Dunne, 1,000; G. Scott, J. Silva, 300; Jay Eagles, two mile; Joe Polillio, Kalvis Kirsis, shot put; and Warren Jennings, high jump.

Stoughton's swiftest indoor 4x440 relay team, consisting of G. Scott, C. Silva, J. Silva, and A. Turok, set a record of 3:33.

The wrestling team was plagued with many problems. Three returning senior lettermen chose not to wrestle, and, with a couple of other problems, left the team with only three seniors at the conclusion of the season. This, together with the fact that there were several injuries, caused the team to look to inexperienced underclassmen.

The team finished with a 4-16 record but paved the way for a brighter future as one freshman, four sophomores, and seven juniors earned varsity letters along with a JV squad of nine freshmen and three sophomores.

Captain Dan McGillivray led the team with 77 points and a 15-2 record, followed by senior Bill McLellan (a first year wrestler) with 64 points and a 14-5 record.

Underclassmen Ed Daley, Kevin Mason, Dave McLellan, John Corbett, Brian Pires, Chris Chamberlain and senior Mike Sano put forth fine efforts and showed great improvement as the season went on. All the boys deserve a lot of credit for their hard work and loyalty in the face of a rebuilding year.

WRITING AT SHS

The writing programs of SHS continue to expand and improve with both individual efforts and group publications strengthening Stoughton's reputation for literary excellence. Nearly sixty juniors competed in this year's Intramural Writing Competition. Last year's winner, Deborah Geigis, went on to become a national winner. Winners in 1981's eighth annual contest were Kalvis Kirsis, Paul LeBlanc, and David Stolow, who will continue in the national competition.

In a transition year, the *SHS KNIGHT* published two fine issues in its usual style and then switched to a news magazine format, working closely with the SHS print shop. The paper boasts a staff of over fifty contributors from all four classes.

1980-81 was also a banner year for *THE STOTONIAN*. Under the capable guidance of editor-in-chief Nancy Lanza, the yearbook staff of 126 (one of the largest ever) was able to complete the book earlier than any staff since 1972.

The writing competition, the newspaper, and the yearbook are all advised, supervised, and coordinated by the understandably busy Mr. Sumner Tapper.

VISITORS

Former New Jersey police officer, David Toma visited SHS in January to give three lectures, including one to parents, concerning the perils of drug use. Toma, whose life story served as the basis for the television shows "Toma" and "Barretta" related gruesome accounts intended to frighten students away from drugs. Mr. Toma also provided an opportunity for students to speak with him individually regarding their personal problems. The Toma visit was heralded throughout the community as a major step forward in drug education.

Continuing on the guest list were approximately 25 students from Newman Prep School representing several foreign nations. These students spoke of their homelands all over the globe. Their audience was comprised of foreign language students who were treated to brief speeches from each visitor about the customs and culture of his/her native land, and were later permitted to meet the visitors personally and ask questions.
